

Letter to the Speaker of the House of Representatives Transmitting a Request for Fiscal Year 2006 Supplemental Appropriations for Ongoing Military and Intelligence Operations and Selected Other International Activities

February 16, 2006

Dear Mr. Speaker:

Today, I am submitting a request for Fiscal Year 2006 supplemental appropriations of \$72.4 billion for ongoing military and intelligence operations in support of Operation Iraqi Freedom, Operation Enduring Freedom, and selected other international activities. These funds support U.S. Armed Forces and Coalition partners as we advance democracy, fight the terrorists and insurgents, and train and equip Iraqi security forces so that they can defend their sovereignty and freedom. Already more than 35 Iraqi battalions have assumed control of their own areas of responsibility. This request provides the resources necessary to continue that effort so the Coalition can continue to hand over control of more territory to Iraqi forces.

In Afghanistan, our Armed Forces continue to track down terrorists, help the Afghan people rebuild their country, and train and equip Afghan security forces so that Afghanistan may continue to take control of its democratic future. Our coalition has trained many thousands of Afghan soldiers and police. These forces are risking their lives to fight our common enemy. This request provides the resources necessary to continue the train and equip effort so Afghan forces can eventually provide for the security of their own citizens.

The request includes funds to confront the threat from Improvised Explosive Devices and to improve the protection of our forces. In addition, the request addresses the need for substantial investment to repair or replace equipment worn out or lost in military operations. It also provides additional funding to cover the costs of restructuring the Army and Marine Corps into more agile, self-sustaining units that provide increased combat effectiveness critical to winning the Global War on Terror.

The request includes bonuses and incentive pay to properly compensate American troops for the sacrifices they make in defense of freedom. It also includes funds to cover enhanced benefits for survivors of all military members and provides for newly authorized benefits for those injured in combat.

The request also provides funds for the extraordinary security and operating costs associated with supporting U.S. diplomatic activity in Iraq and Afghanistan.

The request includes funds to help create political and economic stability in post-conflict areas, help Iraqis protect and sustain their infrastructure, and build Iraqi capacity at the national and provincial levels for better, more responsive, and transparent governance. The request also supports the successful Commander's Emergency Response program that enables military commanders to respond to urgent, small-scale, humanitarian relief and reconstruction needs in their area of responsibility. These counter-insurgency and stabilization activities help build civilian capabilities to ensure the transition to greater Iraqi self-reliance. Coupling increased civilian capacity with increased military capacity is essential to sustained progress in all realms—security, political, and economic—and is essential to neutralizing the insurgents and defeating the terrorists.

Finally, the supplemental requests funds for urgent, unanticipated needs to help relieve human suffering associated with a number of humanitarian crises, including Sudan and other parts of Africa, assistance for refugees, and the costs of humanitarian relief and reconstruction efforts in response to the devastating earthquake in Pakistan. The request also includes funding to address urgent democracy-promotion activities in Iran.

I hereby designate the specific proposals in the amounts requested herein as emergency requirements. This request reflects urgent and essential requirements. I ask the Congress to appropriate the funds as requested and promptly send the bill to me for signature. The details of the request are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

George W. Bush

Letter to the Speaker of the House of Representatives Transmitting a Request for Additional Funds To Support Recovery Efforts in the Gulf Coast

February 16, 2006

Dear Mr. Speaker:

Hurricane Katrina was one of the worst natural disasters in our Nation's history. Katrina devastated an area roughly the size of Great Britain. This devastation has required an unprecedented response by Federal, State, and local governments, as well as the private sector. So far, the Federal Government has committed more than \$87 billion in spending and \$8 billion in tax relief for the people of the Gulf Coast and New Orleans.

To provide additional resources to assist the region in its recovery, I ask the Congress to consider the enclosed requests, totaling \$19.8 billion. This request includes critical funding to: replenish the Department of Homeland Security's Disaster Relief Fund in support of ongoing response efforts; support the Small Business Administration's Disaster Loan program; provide funding for the Community Development Block Grant program to support Louisiana's flood mitigation plans; achieve my commitment through the Corps of Engineers for stronger and better levee protection for New Orleans; and continue rebuilding of the region's Federal infrastructure.

I urge the Congress to act expeditiously on this request to ensure that the Federal response and recovery efforts continue uninterrupted. I designate this proposal in the amount requested herein as an emergency requirement.

The details of this request are set forth in the enclosed letter from the Director of the Office of Management and Budget.

Sincerely,

George W. Bush

Remarks on the War on Terror and a Question-and-Answer Session in Tampa, Florida

February 17, 2006

The President. Thank you all. Please be seated. Thanks for the warm welcome. Thanks for the warm weather. [*Laughter*] It's nice to be back here. I just came from MacDill, where I was talking to General Abizaid and General Brown, and one of the things that's clear is folks there at MacDill really do appreciate the support that the citizens of the communities of Tampa and St. Pete and the surrounding area provide them. So I want to thank you all very much for being—[*applause*].

I'd like to share some thoughts with you and then answer questions as time allows, if you've got any. First, I send Laura's greetings. She's doing great, by the way. She's a fantastic First Lady and—[*applause*]. She's obviously got to be a woman of enormous patience. [*Laughter*]

I appreciate Congressmen Adam Putnam, Bill Young, Mike Bilirakis, and Katherine Harris for being here today. Oh, there they are, yes. Proud to give them a ride on Air Force One. [*Laughter*] Some of them aren't going back, by the way. [*Laughter*] Mark Kennedy—is Mark here with us, from Minnesota? I think he was going to drop by—he supposedly was going to be here. You don't know him because he's from Minnesota, but I do, and he's a fine guy. [*Laughter*]

I want to thank my buddy Mel Sembler, Ambassador Sembler, who represented our country so well, once in Australia under 41, and then to Italy under 43—and Betty. I want to thank the Chambers of both Tampa and St. Pete. I want to thank the mayors from Tampa and St. Pete—Mayor Iorio and Mayor Baker are with us. Thank you both for coming. Appreciate you being here.

I didn't mean to take you away from your work. Any excuse is a good one on Friday, right? [*Laughter*] So long as I keep the speech short. I want to thank members of the statehouse who are here. I want to thank you all for letting us use this beautiful facility. And thank you for coming.
